

IDAHO IMPLEMENTS THE MPJE EXAM

As of December 15, 2005, the Idaho Board of Pharmacy is no longer offering the paper-and-pencil jurisprudence exam to new applicants. In its place we have implemented the National Association of Boards of Pharmacy's (NABP) Multistate Pharmacy Jurisprudence Exam (MPJE). The computer adaptive MPJE combines federal and state-specific law questions to serve as the state law examination in participating jurisdictions. Currently 43 states utilize the MPJE. NABP has renewed its contract with Thomson Prometric to administer the MPJE and North American Pharmacist Licensure Examination (NAPLEX) for the years 2005-2007. Beginning January 1, 2006 candidates sitting for the NAPLEX will pay a base fee of \$325 and a vendor administration fee of \$140 for a total registration fee of \$465; MPJE candidates will pay a base fee of \$120 and a vendor fee of \$65 for a total registration fee of \$185.
